*The Multiple Sclerosis Center of South Texas*, under the direction of Suzanne K. Gazda, MD, Neurologist, is a non-profit organization dedicated to providing individuals and families living with MS the opportunity to receive comprehensive care, education, therapy, and support to achieve their highest level of wellness. Values aligned to our mission include: being patient-centered and customer-focused, maintaining leadership in clinical care, research, technology, education, outreach, and emphasizing teamwork and partnership with everyone involved with the center. This mission and these values form our vision to become the region's leading comprehensive center for the treatment and research of multiple sclerosis.

*The Multiple Sclerosis Center of South Texas* offers or coordinates the following specialty services:

- Patient, family and community educational seminars
- Educational series for those newly diagnosed with MS
- Wellness programs including weekly exercise classes on site
- Consultation, support, referrals, and social service assistance for all MS patients
- Support groups & Individual counseling Services
- Family lending library including books, pamphlets, DVDs, and videos
- Specialty clinics including:
  - Wellness nutrition clinic
- Rehabilitation Services:
  - Physical Therapy
  - Occupational Therapy
- Collaboration with the Lone Star Chapter of the National Multiple Sclerosis Society
